REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The response filed 12/13/07 perfects priority to 5/6/03 thereby disqualifying the WO 03/080407 reference as prior art. Furthermore, upon an update search, the newly cited Okuno et al 7,007,525 patent was discovered, which is the US equivalent of the WO 03/080407 document, however this US patent 7,007,525 is also disqualified as prior art based on the effective date. Accordingly, while the art of record teaches the claimed invention, the prior art of record does not. Therefore, claims 1-6 define over the prior art of record and are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Suzanne Dino Barrett whose telephone number is 571-272-7053. The examiner can normally be reached on M-Th 8:30-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patricia Engle can be reached on 571-272-6660. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
